

NOTICE TO BUSINESSES

2017 WATER MAIN UPGRADE PROJECT

KERCHEVAL AND CADIEUX INTERSECTION

To facilitate the connection of the new water main on Cadieux, the intersection of Cadieux and Kercheval had to be closed today. As soon as the connection is completed, the trench will be backfilled and covered with steel plates so that the street can be opened back up at the end of the work day today. If the weather permits, the intersection will be closed again on Tuesday to replace the pavement that was removed. If the weather does not permit, the pavement will be replaced on Wednesday. The new pavement will be temporarily covered with steel plates so that the intersection can be re-opened the same day. The plates will be removed as soon as the pavement has cured enough to support traffic.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Bricco Excavating Company, LLC	(248) 547-6963
Engineer:	Anderson, Eckstein and Westrick, Inc	
	Charles Myslinski	(586) 771-3792
	Stephen Pangori	(586) 726-1234

Thank You.
