

CONSTRUCTION UPDATE

FISHER ROAD STREETScape PROJECT

June 29, 2018

This week, Warren Contractors & Development, Inc. completed the demolition phase of the project and has constructed temporary walkways to the front doors of your businesses. Next week they plan on installing the underground electrical lines for the new street lights, installing the new street light bases, begin installing sleeves for the new irrigation system and begin excavation for the new aggregate base that is planned under the new concrete.

The contractor will not be working on Wednesday July 4th in observation of Independence Day.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Warren Contractors & Development, Inc.	(586) 323-3350
Engineer:	Anderson, Eckstein and Westrick, Inc	
	Stephen Pangori spangori@awinc.com	(586) 726-1234 (586) 855-9551 (cell)
City Staff:	Pete Randazzo	(313) 806-2516 (cell)

Thank You.
