

CONSTRUCTION UPDATE

FISHER ROAD STREETScape PROJECT

June 22, 2018

This week, Warren Contractors & Development, Inc. began the demolition phase of the project and completed demolition from St. Paul to 383 Fisher. They plan on continuing with demolition next week and will be starting installation of the street lighting conduit near the end of next week.

Please note that in addition to the public parking the School has allowed in their two off-street lots, the City of Grosse Pointe Farms will allow 2 hour customer parking in the striped off areas on their side of Fisher Road this summer. In addition, the City has freed up parking on the lake side of St. Paul between Fisher Road and Lincoln Road for additional parking for those displaced by the project.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Warren Contractors & Development, Inc.	(586) 323-3350
Engineer:	Anderson, Eckstein and Westrick, Inc Stephen Pangori spangori@awinc.com	(586) 726-1234 (586) 855-9551 (cell)
City Staff:	Pete Randazzo	(313) 806-2516 (cell)

Thank You.
