

CONSTRUCTION UPDATE

FISHER ROAD STREETScape PROJECT

August 24, 2018

This week, Warren Contractors & Development, Inc. was able to install the irrigation main line and place the asphalt along the curb line of Fisher Road, in the Comerica parking lot and in the trench along the sidewalk from Extreme Pizza to Maumee.

Next week Warren Contractors & Development, Inc. plans on placing the pavement marking for the pedestrian crossing, the on street parking spots and the handicap parking space in the Comerica parking lot. They also plan on installing the parking meter posts and permanent signs. As of today we have been told that the luminaires for the new street lights are in but the new light poles have not arrived yet. The contractor is still optimistic that they will arrive so they can be installed next week also.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Warren Contractors & Development, Inc.	(586) 323-3350
Engineer:	Anderson, Eckstein and Westrick, Inc Stephen Pangori spangori@awinc.com	(586) 726-1234 (586) 855-9551 (cell)
