

CONSTRUCTION UPDATE

FISHER ROAD STREETScape PROJECT

August 10, 2018

Even with the forecast of scattered thunderstorms nearly every day this week, Warren Contractors & Development, Inc. was able to pour a significant amount of concrete as the streetscape is starting to take shape.

Next week Warren Contractors & Development, Inc. plans on continuing to place the stone base, form and pour the other half of the driveway next to J House and the drive to the Comerica lot next to Lavish. They also plan on forming and pouring the remaining planter boxes.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
