

CONSTRUCTION UPDATE

FISHER ROAD STREETScape PROJECT

April 26, 2019

This week, Warren Contractors & Development, Inc. was able to complete the first halves of the new drive approaches in phase 2. This concrete is currently curing. A strength test will occur on Monday, April 29th and if the concrete is cured enough, work on the second halves of the drive approaches will start on Tuesday, April 30th. Excavating and forming the second halves of the driveways is planned for next Tuesday and Wednesday and the placement of the remaining concrete is planned for next Thursday and Friday of next week.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
