

## CONSTRUCTION UPDATE

AUGUST 25, 2017

### **2017 RESURFACING PROGRAM LAKELAND – JEFFERSON TO END**

The contractor is finishing up the storm sewer work today and has postponed the removal of the curb and gutter until Monday. Next week we are anticipating the following:

Monday	Removal of existing curb and drives on east side
Tuesday/Wednesday	Excavation and Stone Placement for new curb (east side)
Thursday/Friday	Placement of new curb (east side)
Friday	Concrete cure (east side)

The contractor plans to begin curb removal on the east side of the street on Monday. **Those of you with even number addresses will not have access to your driveways for about a 3 week period starting next Monday, August 28th.** Please note that this schedule is weather dependent and may need to be updated periodically during this project. To allow the contractor to complete their work, no parking will be allowed on the street from 7am to 7pm. Residents that do not have access to their driveways may park on the street after 7pm but must have their vehicles off the street by 7am. Please note that you will also be able to park in the Neff Park parking lot during this project.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Pro-Line Asphalt Paving Corporation (586) 752-7730

Engineer: Anderson, Eckstein and Westrick, Inc  
Stephen Pangori [spangori@awinc.com](mailto:spangori@awinc.com) (586) 726-1234

Thank You.
