

CONSTRUCTION UPDATE

AUGUST 29, 2017

2017 RESURFACING PROGRAM LAKELAND – JEFFERSON TO END

Last weeks' notice incorrectly stated that the curb removal was going to start on the east side of the street. The contractor plans to begin curb removal on the west side of the street on Wednesday. Those of you with odd number addresses will not have access to your driveways for about a 3 week period starting tomorrow Wednesday, August 30th. Please note that this schedule is weather dependent and may need to be updated periodically during this project. To allow the contractor to complete their work, no parking will be allowed on the street from 7am to 7pm. Residents that do not have access to their driveways may park on the street after 7pm but must have their vehicles off the street by 7am. Please note that you will also be able to park in the Neff Park parking lot during this project.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Pro-Line Asphalt Paving Corporation (586) 752-7730

Engineer: Anderson, Eckstein and Westrick, Inc
Stephen Pangori spangori@awinc.com (586) 726-1234

Thank You.
