

NOTICE TO RESIDENTS

JANUARY 17 2019

PUBLIC SAFETY BUILDING CONSTRUCTION

Starting tomorrow January 18th 2019, DeMaria Building Company, the City's contractor for the new Public Safety Building, will be starting the process of securing the perimeter of the properties at 893 St. Clair and the old Alger's building with construction fencing. Once the properties are secure, the abatement and demolition are on schedule to start during the week of January 21. Once the demo process starts, it may take up to two weeks to remove the debris from the property and the city is anticipating a start to the construction in March, dependent on weather conditions. The City of Grosse Pointe wishes to apologize in advance of the impending construction and hopes to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following

City of Grosse Pointe: Pete Randazzo (313) 417-1181
