

CONSTRUCTION UPDATE

August 30, 2019

2019 RESURFACING PROGRAM MAUMEE AVENUE - CADIEUX TO ST. CLAIR AND NEFF TO FISHER LINCOLN ROAD – JEFFERSON TO 400' NORTH OF MAUMEE

This week the City's emergency contractor was able to complete the adjustment of the water shut-off boxes and had to repair a water main break at the corner of Maumee and Notre Dame.

On Tuesday September 3rd, the concrete contractor will be returning to complete the curb installation at several locations and to adjust the driveway lips to the drives at 271 University Place and 270 Lincoln. Florence Cement is planning to be on-site later in the week to complete the remaining patch work required in preparation for the final layer of asphalt.

Please avoid parking on Maumee or Lincoln and make sure that your sprinkler system zone between the sidewalk and the curb is shut off.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc
Stephen Pangori spangori@aewinc.com (586) 726-1234

Thank You.
