Swimmers code of conduct

The swimmers' code of conduct is designed to enhance the team experience for all participants. Each swimmer and a parent/guardian should read over the code of conduct together.

1. Swimmers are expected to be on time for each practice. Training time should be considered vital. It is expected that each swimmer works hard for daily improvement and tries to do their best at all practices and meets.
2. Cooperation is expected with your coaches and teammates at all times.
3. Team success is put before individual accomplishment. Be supportive of your teammates at practice and at meets.
4. Appropriate behavior is essential at all practices, meets, and whenever you represent the team.
5. Team members promote and maintain all the elements of good sportsmanship and fair play.
6. The coaches are responsible for practice schedules, lane assignments, and meet line-ups. These decisions must be respected by parents and swimmers.
7. The decisions of meet officials are final and not to be disputed.
8. Verbal or physical confrontation will not be tolerated in any instance.
9. Any behavior that can be construed as intimidating, humiliating, harassing, threatening or embarrassing to teammates, officials, or opponents is unacceptable.

The coaching staff expects 100-percent compliance with the code of conduct. Failure to adhere to the policies may result in loss of swim meet assignments.
