

## ***ROAD IMPROVEMENT PROGRAM***

### **CONSTRUCTION UPDATE**

**JUNE 24, 2016**

### **ST. PAUL AVENUE RESURFACING CADIEUX TO FISHER**

This week the new curbs at St. Clair and Washington were installed.

During the first part of next week, Pro-Line asphalt plans on placing the rest of the stone and fine grading the St. Clair, Lakeland and Washington intersections. The asphalt base and leveling courses are planned to be placed on these 3 intersections on Thursday and Friday. On Thursday evening, St. Clair will again be reopened temporarily to accommodate traffic to CVS and City parking due to Music on the Plaza closing off Kercheval for the concert.

The City of Grosse Pointe wishes to apologize for any inconvenience the construction may cause you and hopes, with your cooperation, to complete this project in a timely manner.
