2017 RESURFACING PROGRAM KERCHEVAL PLACE – NOTRE DAME TO CADIEUX

Pro-Line, the road contractor has indicate they will now commence the road construction part of this project on Thursday, October 26th. The catch basin work was completed by Pro-Line's subcontractor last week. Next Thursday the contractor plans on removing the concrete scheduled for replacement on the south side of Kercheval Place and the sidewalk ramps at 16888 and 16926 Kercheval. All of the concrete removed on Thursday will be replaced on Friday, October 27th. We are anticipating that the phase 2 concrete work will be completed during the week of October 30th.

Please note that this schedule is weather dependent and may need to be updated periodically during this project. To allow the contractor to complete their work, no parking will be allowed on the street from 7am to 7pm.

The City of Grosse Pointe wishes to apologize for any inconvenience this project may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
