

## CONSTRUCTION UPDATE

AUGUST 25, 2017

### **2017 RESURFACING PROGRAM WASHINGTON – CHALFONTE TO MACK**

So far the project is going as planned. Next week we are anticipating the following:

Tuesday	Curb and Gutter placement on east side
Wednesday	Concrete cure
Thursday	Backfilling new curb and forming for drives (east side)
Friday	Continue forming drives (east side)

Please note that this schedule is weather dependent and may need to be updated periodically during this project.

To allow the contractor to complete their work, no parking will be allowed on the street from 7am to 7pm. Residents that do not have access to their driveways may park on the street after 7pm but must have their vehicles off the street by 7am.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:
