

CONSTRUCTION UPDATE

AUGUST 4, 2017

2017 WATER MAIN UPGRADE PROJECT

WASHINGTON ROAD – CHALFONTE AVENUE TO WATERLOO STREET

The final passing test results on the new water main were received today which means the contractor will be connecting the new main to the existing system on Monday August 7th. Your water will be shut off for about 4 to 6 hours while this work is being done. Once the connections are made, the contractor will begin transferring your individual services from the old main to the new main. The individual home transfers will require that your water be off for about 30 minutes. The contractor will notify you on the day that this work occurs. We are anticipating that the individual water service connects will take all of next week and part of the following week.

If you are within the construction area and have a sprinkler system along the back of the sidewalk or between the sidewalk and curb, please mark your sprinklers as soon as possible (if you haven't done so already) to aid the Contractor in preventing unnecessary damage to your system. If any portion of your sprinkler system requires temporary removal, it will be re-installed during final site restoration and clean-up of the work site.

To assist the Contractor in completing the water main replacement in as little time as possible, the City is asking that you not park your vehicles on either side of the street, or, on your driveway apron between the sidewalk and street between the hours of 7:00 a.m. and 7:00 p.m. once work on your street begins.

During construction, mail delivery, rubbish pick-up and access for Emergency Vehicles will not be interrupted.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Bricco Excavating Company, LLC	(248) 547-6963
Engineer:	Anderson, Eckstein and Westrick, Inc	
	Charles Myslinski	(586) 726-1234
	Stephen Pangori	(586) 726-1234

Thank You.
