

**CONSTRUCTION UPDATE**

**AUGUST 11, 2017**

**2017 WATER MAIN UPGRADE PROJECT**

**WASHINGTON ROAD – CHALFONTE AVENUE TO WATERLOO STREET**

**For those of you that live between Chalfonte and Charlevoix**, this week the contractor began transferring your services to the new main starting at Chalfonte and working toward Charlevoix. This work will continue next week with the anticipation of completing all of the transfers between Chalfonte and Charlevoix by the end of the week.

**For those of you that live between Charlevoix and Waterloo**, the water shutoff that we anticipated happening this week was postponed. The contractor is anticipating connecting the new water main to the existing system on Thursday August 17<sup>th</sup>. This connection is anticipated to take most of the day. Please be prepared to have your water off between 9am and 5pm. If your water is not shut off on Thursday, this most likely will mean that the contractor was unable to make the connection on Thursday and it will occur on Friday. In either event, you will get notice confirming the shut off date the day before the water is shut off.

**To assist the Contractor in completing the water main replacement in as little time as possible, the City is asking that you not park your vehicles on either side of the street, or, on your driveway apron between the sidewalk and street between the hours of 7:00 a.m. and 7:00 p.m.**

During construction, mail delivery, rubbish pick-up and access for Emergency Vehicles will not be interrupted.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Bricco Excavating Company, LLC	(248) 547-6963
Engineer:	Anderson, Eckstein and Westrick, Inc	
	Charles Myslinski	(586) 726-1234
	Stephen Pangori	(586) 726-1234

Thank You.
