

## **WATER SHUT-OFF UPDATE**

**AUGUST 25, 2017**

**2017 WATER MAIN UPGRADE PROJECT**

**WASHINGTON ROAD – CHALFONTE AVENUE TO WATERLOO STREET**

The water shut off that was planned for last week did not occur due to difficulties with shutting down the existing water main. This shut down is now planned to occur during the week after Labor Day. Next week the contractor will continue transferring services and forming and pouring back the sidewalks and driveways that were removed.

If you have seen any increased rat activity, please report the location as the City is having Rose Pest Control address any problems caused by construction activity.

The City of Grosse Pointe wishes to apologize in advance for any inconvenience this may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:
