

CONSTRUCTION UPDATE

AUGUST 11, 2017

2017 WATER MAIN UPGRADE PROJECT

**WASHINGTON ROAD – ST. PAUL AVENUE TO MAUMEE AVENUE
MAUMEE AVENUE – WASHINGTON ROAD TO ROOSEVELT PLACE**

By the end of the day on Monday, August 14th we are anticipating that the contractor will have installed all of the new water main pipe on Washington and on Maumee. The remainder of next week they will be testing the new main. We are not anticipating the need to shut off water on your street next week. That will most likely occur the following week after successful testing is completed.

To assist the Contractor in completing the water main replacement in as little time as possible, the City is asking that you not park your vehicles on either side of the street, or, on your driveway apron between the sidewalk and street between the hours of 7:00 a.m. and 7:00 pm.

During construction, mail delivery, rubbish pick-up and access for Emergency Vehicles will not be interrupted.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:

Contractor:	Bricco Excavating Company, LLC	(248) 547-6963
Engineer:	Anderson, Eckstein and Westrick, Inc	
	Charles Myslinski	(586) 726-1234
	Stephen Pangori	(586) 726-1234

Thank You.
