2017 WATER MAIN UPGRADE PROJECT

**WASHINGTON ROAD – ST. PAUL AVENUE TO MAUMEE AVENUE
MAUMEE AVENUE – WASHINGTON ROAD TO ROOSEVELT PLACE**

The installation of all of the new water main pipe on Washington and on Maumee was completed this week but unfortunately the contractor was not able to begin testing. Next week they will be testing the new main. We are not anticipating the need to shut off water on your street next week. That will most likely occur the following week after successful testing is completed.

The City of Grosse Pointe wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner. If you have any questions or concerns, please feel free to contact any of the following:
