

**CONSTRUCTION UPDATE**

**August 17, 2018**

**NOTRE DAME RESURFACING  
KERCHEVAL TO WATERLOO**

This week the contractor was able to mill off the existing asphalt surface and place the new curb along the Maire Elementary Field.

Next week they plan on removing and replacing the drive approaches to 710, 714, 718 and 722 Notre Dame, capping the curbs along the side of Starbucks and in front of 702 to 729 Notre Dame and replacing the curb opening to the driveway to 702 Notre Dame. If access to your driveway will be interrupted, the contractor will be working directly with you.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
