NOTRE DAME RESURFACING KERCHEVAL TO WATERLOO

This week the contractor was able to complete the repairs to the sprinkler systems and the installation of the topsoil and sod. **Please contact Steve Pangori at 586-726-1234 if you are having any problems with your sprinkler systems.**

Next week the contractor plans on removing and replacing the corners of the driveway approaches to 710, 714, 718 and 722 Notre Dame to correct a detail that has caused some of the drive approaches to crack. You should still be able to use your driveway but may experience some short inconveniences when the work is being done.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc
Stephen Pangori spangori@awinc.com (586) 726-1234

Thank You.
