CHARLEVOIX RESURFACING NEFF TO FISHER

Florence Cement Company will complete the installation of the new storm sewer in the University and Rivard intersections this week. Next week they plan on continuing with the installation of the new storm sewer at the Washington intersection. Upon completion of the storm sewer at these 3 intersections, they will be placing the new stone base and first layer of asphalt after which they will open up these 3 intersections to traffic before moving on to the Lakeland and Lincoln intersections.

The contractor will not be working on Wednesday July 4th in observation of Independence Day.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
