

CONSTRUCTION UPDATE

July 19, 2018

CHARLEVOIX RESURFACING NEFF TO FISHER

This week Florence Cement Company completed forming and pouring the handicap ramps at University, Rivard and Washington intersections, completing placing the first lift of asphalt and opened them to traffic.

Tomorrow survey crews will be placing stakes for the proposed storm sewers at Lakeland and Lincoln. Next Monday thru Wednesday, Florence Cement will be switching traffic control to close the Lakeland and Lincoln intersections, removing pavement in these 2 intersections and constructing the new storm sewer. The current schedule is to grade out these 2 intersections and form and pour the new curb on Thursday and Friday.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc
Stephen Pangori spangori@awinc.com (586) 726-1234

Thank You.
