

**CONSTRUCTION UPDATE**

**August 10, 2018**

**CHARLEVOIX RESURFACING  
NEFF TO FISHER**

This week Florence Cement Company placed the first layers of asphalt on the Lincoln and Lakeland intersections and opened them up to traffic. Today they have begun milling off the old asphalt surface and will finish that work on Saturday.

Next week they plan on completing the base repairs and placing the first layer of new asphalt on the entire street.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
