

## **CONSTRUCTION UPDATE**

**August 17, 2018**

### **CHARLEVOIX RESURFACING NEFF TO FISHER**

This week Florence Cement Company completed the base repairs on Charlevoix but unfortunately the rain the last 2 days have postponed the placement of the first layer of asphalt until Monday.

Next week they plan on placing the first layer of new asphalt on the entire street and possibly beginning the curb capping on both sides of the street toward the end of the week. Once the first layer of asphalt is placed you will be able to get back into your driveways for a few days. You will be notified when to remove your vehicles from your driveway again so your drive approach can be replaced.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc  
Stephen Pangori [spangori@awinc.com](mailto:spangori@awinc.com) (586) 726-1234

Thank You.
