

CONSTRUCTION UPDATE

September 14, 2018

**CHARLEVOIX RESURFACING
NEFF TO FISHER**

The contractor was able to get the curb removed this week and will be starting the curb capping next Tuesday. We are anticipating that it will take them the majority of next week and potentially into the following week to get all of the curbs capped.

This work is being done by subcontractors that are not union and are not impacted by the labor dispute. Unfortunately Florence Cement Company is still impacted by the labor dispute and their schedule for paving is still unknown.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you.

If you have any questions or concerns, please feel free to contact any of the following:
