

CONSTRUCTION UPDATE

September 27, 2018

CHARLEVOIX RESURFACING NEFF TO FISHER

The contractor was able to complete the curb capping this week. Next week they plan on removing and replacing the drive approaches. Starting Monday October 1st, please plan on having your vehicles out of your driveway by 7:00am. While your driveway approaches are being removed and replaced, you will not have access to your driveway and will have to park your vehicles on the nearest side street. Once your new driveway approach is poured we are anticipating that the concrete will take 7 to 10 days to cure enough to allow you to drive on it. Please do not remove the caution tape and drive on it until the caution tape is removed by the contractor.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc
Stephen Pangori spangori@awinc.com (586) 726-1234

Thank You.
