

## CONSTRUCTION UPDATE

October 5, 2018

### **CHARLEVOIX RESURFACING NEFF TO FISHER**

The contractor was able to complete the removal of all of the drive approaches this week. Next week they plan on replacing the drive approaches. Once your new driveway approach is poured we are anticipating that the concrete will take 7 to 10 days to cure enough to allow you to drive on it. Please do not remove the caution tape and drive on it until the caution tape is removed by the contractor.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666

Engineer: Anderson, Eckstein and Westrick, Inc  
Stephen Pangori [spangori@awinc.com](mailto:spangori@awinc.com) (586) 726-1234

Thank You.
