NEFF ROAD RESURFACING MAUMEE TO ST. PAUL

This week Florence Cement Company completed some of the base conditioning work on your street.

Next week they plan on removing your drive approaches and beginning to cap the curbs and replace the drive approaches. Please have your vehicles out of your driveway by 8 am on Monday. You will be notified when the concrete has cured sufficiently to allow you to use your new drive approach. Until then, please park your vehicles on either Maumee or St. Paul between 7 am and 6 pm or on the next block of Neff. You may park your vehicles in front of your homes after 6 pm but must have them off the street by 7 am.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.
