

CONSTRUCTION UPDATE

August 31, 2018

**NEFF ROAD RESURFACING
MAUMEE TO ST. PAUL**

This week Florence Cement Company completed the curb capping and installed the drive approaches on the west side of the street. If your driveway was poured this week, please do not remove the caution tape and drive on it until the caution tape is removed by the contractor. We are anticipating that the new driveways will be cured enough to open by next Tuesday.

Next week they plan on pouring the remainder of the drive approaches, backfilling the new curb and driveway approaches and beginning restoration.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:
