

## **CONSTRUCTION UPDATE**

**September 28, 2018**

### **NEFF ROAD RESURFACING MAUMEE TO ST. PAUL**

This week Florence Cement Company was able to adjusting the manholes to the final road surface and begin grading the area between the sidewalk and the curb in preparation for topsoil and sod. Next week they plan on placing the final asphalt surface on Monday and we are anticipating that they will begin placing topsoil and sod on Friday, October 5<sup>th</sup>.

To facilitate the paving on Monday your street will be closed. Please have your cars out of your driveways by 7am and do not park your cars in the street between 7am and 7pm. We are anticipating that you should be able to use your drives by 7pm. The contractor will be opening the street as soon as the paving work is completed and the new asphalt cools enough to be driven on.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact any of the following:

Contractor: Florence Cement Company, Inc. (586) 997-2666
